JANUARY 2017 NEWSLETTER

YES WE ARE BACK AT THE SHED ON **FRIDAY JANUARY 6TH** FOR ANOTHER GREAT YEAR OF MEN'S SHED FRIENDSHIP - WE MIGHT EVEN GET SOME OF THOSE PROMISED PROJECTS UNDERWAY; BUT IF NOT THEN AGAIN WE WILL NOT STRESS OUT.

What's been happening

Another great social event was held to celebrate our end of year with a capacity crowd at the MGA centre and then even more eating and drinking at the shed break up / Christmas lunch.

Thank you to all of the members who participated and even more so to those who help organise these events.

Santa didn't let anyone sit on his knee but Pres. Ken got an early wish by winning a raffle prize.

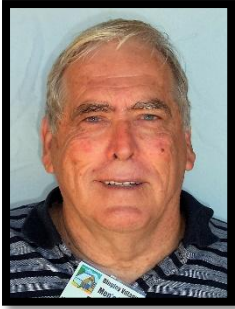

Q

So what can you do with a can ring pull?

A

Collect a lot of them and make a mountain that can then be donated to Dingley Rotary who in turn gather all the mountains and put the funds to local projects.

Thanks to the few members that have been helping so let's all get on board and put our waste to good use.

Just a reminder that your annual membership fee of \$50 is due as of January 1st, 2017 (To continue your membership, payment must be received no later than the end of January).

Brian Stooke is collecting the money from members at the shed and thank you to all the members who have already paid. If you cannot get to the shed on a Friday, you can direct deposit to:-

Parks Vic head ranger Des Lucas presented our shed a Certificate of Appreciation for the work carried out on rebuilding of the "stable".

We will display this with pride in the shed and again a big thank you to those members who carried out this project.

It's on again, our great Australia Day BBQ lunch at the shed.
THURSDAY January 26th
BYO everything including your partner and family.

Annual **G**eneral **M**eeting

To be held on Friday February 24th 2017

at 10.30am in our shed - please be there to show your support.

If you wish to nominate for a committee position, register your interest with Secretary John or to President Ken.

Safety in the shed

By now you all know about protecting your eyes and ears while working the shed but what about the other end - yes your feet.

These are NOT suitable footwear for the workshop.

This should be obvious but sometimes we all just need a reminder.

Make sure you fill in the roster to help with our next fundraising BBQ at **BUNNINGS - SATURDAY FEBRUARY 4th.**

Four time slots available: 8-10, 10-12, 12-2 & 2-4.

See the time schedule on the notice board for all details.
