MARCH 2017 NEWSLETTER

What's been happening

The **Bunnings** BBQ stall was again very successful and we extend our appreciation to the management of Bunnings for providing this outlet to support local organisations to fundraise for their individual group. Judging by the amount sold, we are definitely providing a community service. The demand for sausages never ceased from 8am to 4pm with a very heavy requirement around midday. Thank you to all of the members who chipped in to share the work load. We have requested another date around the same time next year. (Feb 3rd 2018)

<<< Just waiting for the customers to roll in.

>>>>> You know what they say about keeping out of the kitchen if you cannot stand the heat.

PHOTOGRAPHY GROUP

This is how most of our shed activities have commenced -- someone gets an idea and gets others to join in then off it goes and a new group activity is born. Well done to the photography group; we look forward to seeing some great results just like the art group.

So what will come next ... that's up to you, float an idea and get it up and running.

Build it and they will come.

Ask David Ellis or Warren Denmead for more details

Phar Lap & Tommy getting another coat of oil thanks to our resident painter Frank.

Our official food tester - luckily the cook (chief) has a food handlers certificate and an ambulance was not required.

What's new in the workshop

It's great to see so many members getting involved in projects and using the equipment.

The damaged picnic settings are getting replacement timbers fitted.

By the time Ed & crew fit bolts to the repaired tables,

and then Ron welds the nuts, they hopefully will last.

What happened at the AGM

The **A**nnual **G**eneral **M**eeting was held on Friday February 24th 2017 and as usual there were lots of heads bowed avoiding the issue of nominations for positions. The new committee was established without the need of an election. Refer to the photo board to see your committee and if you have suggestions for our shed, please address them to your committee.

Once again we wish to thank the **Bendigo Bank** and **Independent Body Corporate Management** for their most gracious donations.

To Roy Solomon, In recognition and appreciation of your kind and most generous support and warm friendship. A sincere thank you from all the members of Dingley Village Men's Shed

Jack (Jacques) DeZoete is taking on the position of OH&S officer - we couldn't get a better man for the job because if you don't do as you are supposed to and get injured, Jack is well qualified to put a band aid on your wound (or complete the amputation).

We're thinking of you and want you back at the shed real soon

"Everyone says love hurts, but that is not true. Loneliness hurts, rejection hurts. Everyone gets these things confused with love, but in reality love is the only thing in this world that covers up all pain and makes someone feel wonderful again. Love is the only thing in this world that does not hurt".

Some puns to give you a smile or two

1. A jumper cable walks into a bar. The bartender says,
"I'll serve you, but don't start anything."
2. Two peanuts walk into a bar, and one was a salted.
3. Two cannibals are eating a clown.
One says to the other: "Does this taste funny to you?"
4. "Doc, I can't stop singing The Green, Green Grass of Home."
"That sounds like Tom Jones Syndrome."
"Is it common?"
"Well, It's Not Unusual."
5. Two cows are standing next to each other in a field.
Daisy says to Dolly, "I was artificially inseminated this morning."
"I don't believe you," says Dolly.
"It's true; no bull!" exclaims Daisy.
6. An invisible man marries an invisible woman.
The kids were nothing to look at either.
7. I went to buy some camouflage trousers the other day,
but I couldn't find any.
8. A man woke up in a hospital after a serious accident.
He shouted, "Doctor, doctor, I can't feel my legs!"
The doctor replied, "I know, I amputated your arms!"
9. Two men sitting in a kayak were chilly, so they lit a fire in the craft.
Not surprisingly it sank, proving once again that you can't have your kayak and heat it, too.
10. And finally, there was the person who sent ten different puns to his friends, with the hope that at least one of the puns would make them laugh. No pun in ten did.

Yes, that's Mike blowing his horn again at the Port Fairy Jazz Festival.

Thanks to Ken for the report & photos.

"STROKE HAS A NEW INDICATOR"

Another 'sign' of a stroke is this: Ask the person to stick out his/her tongue. If the tongue is crooked, if it goes to one side or the other, that is also an indication of a stroke. You should also remember what we were taught: F face, A arm, S speech and T time."

STROKE: Remember the 1st Three Letters.....
S. T. R.

STROKE IDENTIFICATION:

Now doctors say a bystander can recognise a stroke by asking three simple questions:

- S** *Ask the individual to SMILE.
- T** *Ask the person to TALK and SPEAK A
SIMPLE SENTENCE (Coherently)
(i.e. Chicken Soup)
- R** *Ask him or her to RAISE BOTH ARMS.

If he or she has trouble with ANY ONE of these tasks, call emergency number immediately and describe the symptoms to the dispatcher.

New Sign of a Stroke -----
Stick out Your Tongue!

Regards
Geoff Palfreman

Eric is playing golf with three mates and they are being held up by the group ahead who are excruciatingly slow. They lose their temper and storm off the course to complain to the manager. "Can't you get those guys off the course" complains Eric. The manager replies, "They're blind". Well replies Eric, "Why can't they play at night?"

Due to the government accounts deficit, the light at the end of the tunnel will be turned off at weekends.

Just because you're paranoid doesn't mean they're not out to get you.

Nervous breakdowns are hereditary. You get them from your kids.
