## IN MEMORIAM

Our members were shocked to hear of the sudden passing of David Tildesley.

David has been a well respected member of our shed and we will miss his contribution to the engineering and computer areas of our shed.

We sent our condolences to his family.

Let's start off with something **VERY** important to all members when using machines and hand tools in the Workshop - or even just standing around watching someone.

## YOUR SAFETY

Question (i) - how hard is it to put on a pair of safety glasses? Answer - you figure it out.

Questions (ii) - what do you do to avoid an eye injury like this? Answer - refer to question (i)

**Put your safety glasses on! If you don't, you might end up with one of these eye injuries - or worse.**

## What's been happening

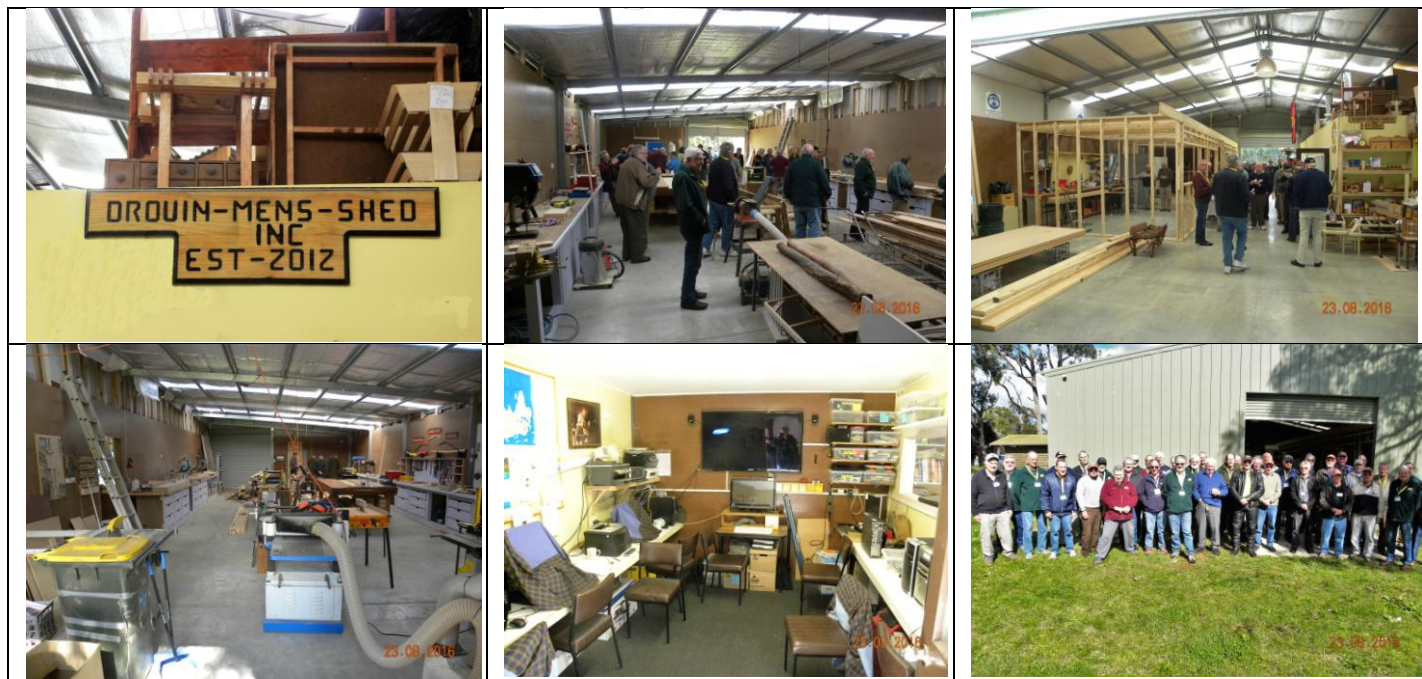

DVMS have donated about a dozen bikes to CHIPS - Established in the year 2000, CHIPS (Christians Helping In Primary Schools) is a non-profit organisation based in the south-eastern suburbs of Melbourne.

CHIPS is well known in the local area for working with primary aged children in crisis and won the Casey Volunteer Organisation of the Year Award in 2010. CHIPS' CEO Eric Wieckmann (aka Captain Eric) is a dynamic speaker and presents CHIPS' programs in and around local schools, businesses and community groups and won the Casey Citizen of the Year Award in 2005.

The donation was assisted by Parks Victoria

Our visit this month to the **Drouin Men's Shed** was another great day and we were made most welcome by the men at their shed. We were able to admire their new extension that now gives them a great workshop area and has enabled the original shed area to be revamped for new activities. A BBQ lunch topped off the day and the beautiful sunny afternoon allowed us to chat outside with the members as can be seen in the attached photo selection.

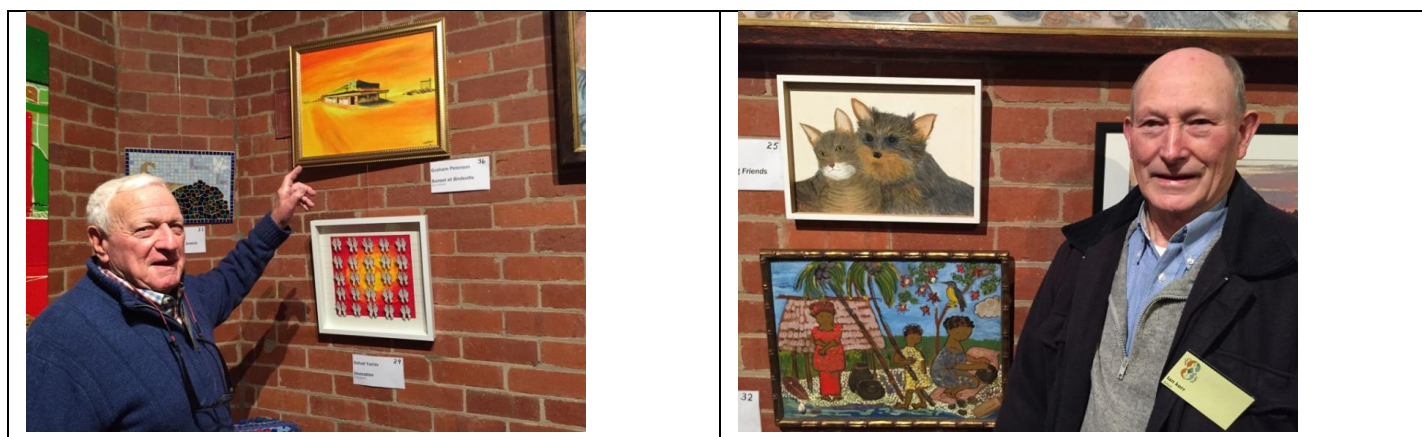

## Look at what's been happening in the Art corner

Several months ago President Ken asked Ian Kerr & Snow Peterson if they would be prepared to enter some of their paintings in an art show. They discussed it and came up with the conclusion that their ability was not quite good enough yet, but then if they don't try they will never know, so they entered the Kingston Council Art Show, titled "Colours in Harmony" which was held in the St. Nicholas Gallery.

The process is to firstly send a photo of the work with the entry form and then out of the several hundred entries the items to be displayed are selected - to their surprise they were both selected with Ian submitting his piece "Cat and Dog Friends" and Snow's entry "Sunset at Birdsville".

However it's one thing to be selected to exhibit, but certainly another to win when showing against 40 other entries both from professional and amateurs from all over Melbourne. Ian and Snow were delighted to receive an **Honourable Mention** - congratulations to you both and keep on with your great new found talent.

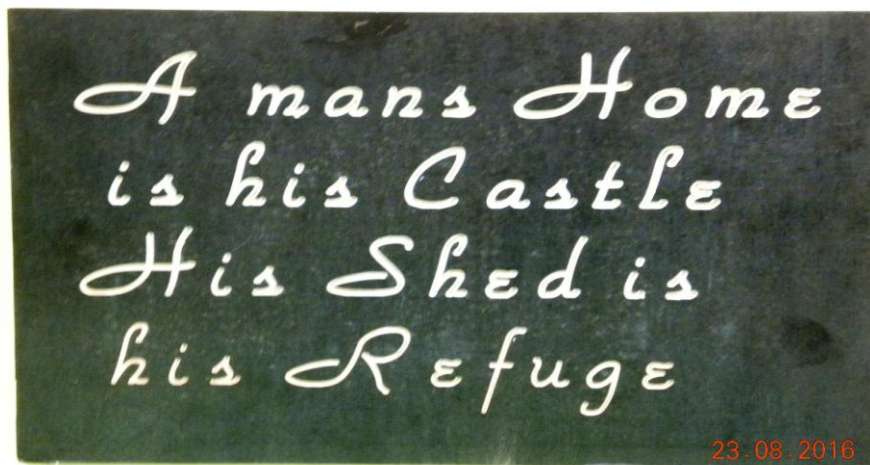

## NOW I KNOW WHY I'M GETTING FAT - It's the SHAMPOO!

*I just realised the label says, "TO GIVE BODY & VOLUME".  
So from now on, I will use DISH WASHING SOAP - that says .....  
'DISSOLVES ALL FAT EVEN IN HARD TO REACH PLACES'*

### Shut the \*#\*# gate

Please make sure that **the last person to leave** our shed area puts the timber bollard back into its ground socket so as to prevent unauthorised persons entering Cypress Drive, and also secure the exit gate from our car park 9 into its closed position.

\*\*\*\*\*

I signed up for an exercise class and was told to wear loose fitting clothing. If I HAD any loose fitting clothing, I wouldn't have signed up in the first place!

\*\*\*\*\*

So what have **you** learnt from this issue of the newsletter?

If you answered "**I MUST ALWAYS WEAR SAFETY GLASSES IN THE WORKSHOP**" give yourself a pat on the back ... the message must have finally got through.
