

*Dingley Village Men's Shed and Keysborough Bowling Club together
at Christmas in 2025*

Over 100 members, partners, guests and friends enjoyed the celebration

WHAT A GREAT EVENT

- This was our first function of this size to be held in a non commercial venue
- Two of our members, Kevin Strahan and Ken Groves – our Special K's – are also members of our host the Keysborough Bowling Club (KBC).
- They not only made the arrangements but also liaised with other volunteer KBC members to conduct our function.
- Our own Dingley Village Shed Men played great music and were much appreciated by the crowd
